

Product Specifications

- 1- Name: H6 Projector
- 2- Model: Open 1080P optical machine
- 3- Application scope: 1- Home theater 2- KTV 3- Video and picture demonstration

Packaging stereogram:

Product Management Department-Product Standard Specification Table

Product bare size (mm)	Product weight (KG)	Finished machine (with packaging) size	Finished product (with packaging) weight
180*197.4*99.7mm	1.5kg	309*148*230mm	2.03kg
Master Carton size	Number of gift boxes	Gross weight	Standard pallet stacking quantity (units)
480*465*330mm	6-pack	12.35kg	

Product specifications and parameters:

Basic information of motherboard hardware and software:

project:	Specifications:	Additional notes:
	multimedia	
Motherboard Solution	V53+ TV Stick	
RAM (GB)	/	
R OM (GB)	/	
W IFI module solution	/	
Bluetooth module solution	5.0	
System and version	/	

Parameter Description :

Projection parameter index		
project:	Parameter Description	Additional notes:

Product Management Department-Product Standard Specification Table

Display Technology	LCD	
L CD size	4 inches	
LCD resolution	1920x1080	
Projection light source	led	
Light source life	30000 hours	
Light source brightness	14000~15000LM	
Projection brightness (ANSI)	260lm	
Throw Ratio	1. 3	
Projection aspect x height ratio	4:3/16:9	
Projection resolution	1920x1080	
Throw distance	1. 46m-5m	
Projection size	35-170in	
Color temperature range	6500K±200K	

Product Management Department-Product Standard Specification Table

Contrast	1000:1	
Light uniformity	62%	
Optical mirror number	3 optical glass lenses	
Zoom Mode	Fixed focal length	
Focusing method	Electric focus	
Keystone Correction	Electronic ladder	
Projection Mode	Front projection / rear projection / side projection	
Other parameter standards:		
project:	Parameter Description	Additional notes:
Speaker power	4 Ω 5W	
Number of speakers	1	
noise	38dB≤	
Built-in microphone	none	
Working power (W)	78W	Complete Machine
Built-in battery (W)	none	

Product Management Department-Product Standard Specification Table

Working temperature°C	-10~35	
Storage temperature °C	-10~45	
Interfaces, buttons and other hardware information:		
project:	Parameter Description	Additional notes:
Power switch	1	
Number of buttons	9	Up, Down, Left, Right, OK , Power On/Off, Home, Menu, Return
HDMI interface	2	One of them has a TV stick Support up to 1920*1080@50/60Hz
VGA interface	none	
USB interface	1	
A V interface	1	
Y pBr interface	none	
Headphone jack	1	
A C interface	1	
USB Type -C interface	none	
TF card slot	1	
SD card slot	none	

Product Management Department-Product Standard Specification Table

SATA interface	none	
Other interfaces		
Number of fans	1	

USB multimedia support format information:

Document Classification	Common file extensions	Included formats and resolutions
Text Formatting	*.txt	Maximum supported capacity: 1MB
Audio Format (Common encoding formats: MPEG1,MPEG2,LPCM, WMA,DTS,AAC,AC3 . Common file extensions: .avi, .wmv, .ts, .mkv, .vob, .mpg, .wav, .dat, .mp3, .mp4)	*.avi, *.asf, *.wmv, *.ts, *.mkv, *.dat, *.vob, *.mpg, *.mpeg, *.mp3, *.mp4	MPEG1/2 decoding, sampling rate 16KHz ~ 48KHz, bit rate 32K bps ~ 448Kbps
	*.avi, *.mkv, *.mp4, *.mov, *.ts, *.tp, *.dat, *.vob, *.mpg, *.mpeg, *.wav, *.m4a	LPCM decoding, sampling rate is 8KHz ~ 48KHz, bit rate is 64K bps ~ 1.5Mbps
	*.wma	WMA decoding, sampling rate 8KHz ~ 48KHz, bit rate 32K bps ~ 320Kbps (demo version)
	*.ts, *.trp, *.tp, *.dat, *.vob, *.mkv	DTS decoding, sampling rate is 16KHz ~ 48KHz, bit rate is less than 1.5Mbps (demo version)
	*.avi, *.mkv, *.mp4, *.dat, *.vob, *.mpg, *.mpeg, *.flv, *.rm, *.rmvb, *.aac, *.m4a	AAC decoding, sampling rate is 8KHz ~ 48KHz, bit rate is less than 5.1Mbps (Demo version)
	*.avi, *.mkv, *.mp4, *.dat, *.vob, *.mpg, *.mpeg, *.flv, *.rm, *.rmvb, *.aac, *.m4a	AC3 decoding, sampling rate 32K KHz /44.1KHz/48KHz, bit rate less than 6 Mbps (not supported by default)
Image Format	*.jpg, *.jpeg	Standard (Base-Line): supports up to 8192 x 8192 Progressive: supports up to 1024 x 768
	*.png	Non-interlace: supports up to 9600 x 6400 Interlace: up to 1280 x 800
	*.mpo (not supported by default)	Standard (Base-Line): supports up to 8192 x 8192 Progressive: supports up to 1024 x 768
	*.bmp	Supports up to 9600 x 6400
	*.gif	Supports up to 6400 x 4800 (higher resolution is not supported)

Product Management Department-Product Standard Specification Table

Video Format	*.avi *.mkv *.mp4 *.mov *.mpg, *.mpeg *.ts, *.tp, *.m2ts *.dat *.flv, *.swf, *.asf *.vob *.rm, *.rmvb *.3gp, *.3gpp	MPEG1/2/4 decoding supports up to 1080P@30fps, bit rate up to 40Mbps , H.263 decoding supports up to 1080P@30fps, bit rate up to 40Mbps , H.264 decoding supports up to 1080P@60fps, bit rate up to 40 Mbps, HEVC decoding supports up to 1080P@60fps, bit rate up to 40 Mbps, AVS decoding supports up to 1080P@30fps, bit rate up to 40 Mbps, AVS+ decoding supports up to 1080P@30fps, bit rate up to 40 Mbps, Motion JPEG decoding supports up to 640P@30fps and bitrate up to 10 Mbps VC1 decoding supports up to 1080P@30fps and bitrate up to 40 Mbps FLV decoding supports up to 1080P@30fps, bit rate up to 40 Mbps RM30/RM40 decoding, supports up to 1080P@30fps, bit rate up to 40 Mbps (demo version)

Attachment Description:

Serial number	Attachment Name	Attachment certification and instructions
1	HDMI cable	No certification option
2	AV cable	3-in-1 AV cable option
3	AUX line	none
4	Infrared remote control	No certification
5	Dry cell batteries	Not available
6	USB cable	Not available
7	Power cord	UL
8	CD	none

Product Management Department-Product Standard Specification Table

9	USB flash drive	none
1 0	harddisk	none
1 1	Protective case	PE bag
1 2	Cleaning kit: brush, cleaning cloth, cleaning cotton, etc.	Optional
1 3	Carrying Case	Optional
1 4	curtain	Optional
1 5	Bracket	Optional
1 6	Warranty card	Optional
1 7	manual	neutral
1 8	other
