X610 Specification

1. Parameter

Model No.: X610	Dimension: 168×79×33 mm
Brand name:Tihoosky	Weight:450g
Capacity : 15600mah	Full Charging Time : 3 - 4 hours
Start Current : 200A	Peak Current : 400A (3s)
Input : CC/CV 15V/1A	USB Output : 5V/2.1A
Laptop Output :12V/16V/19V/3.5A	Working Temperature :-10℃-85℃
Battery : Polymer Lithium Battery	Cycle Life: >3000 Times

2.Structure

Product Display

3. Products Functions& Features

Product Functions:

- 1) Jump start the 12V gasoline and diesel vehicles
- 2) USB 5V/2.1A charging for smart phone, iPhone, tablets
- 3) 19V/16V/12V/3.5A output for charging laptops and Car electrical devices
- 4) LED flashlight with SOS, strobe and red beacon functions
- 5) Compass for direction

Product Features:

- 1) Portable Mini size , Easy to Use and Carry .
- 2)Capable of cranking 12V gasoline engines and diesel vehicle Within temperature :-10℃-85℃
- 3)Applicable to mobile phones, laptops and other car electronic devices
- 4)LED torch, SOS and strobe
- 5)LED display: power level showing and real time current detecting function
- 6)With high power polymer lithium battery inside
- 7)At least 3000 times cycle life
- 8) Intelligent jump cable : short circuit, reverse connection, over heat protection

4. Package and Accessories

Carrying Bag

Laptop Adaptor

Home Adaptor

Jump Clamps

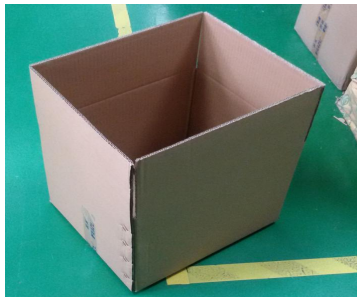

USB Adaptor

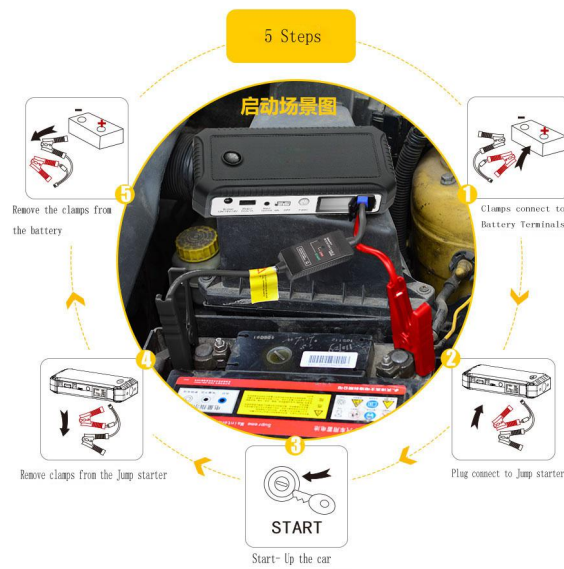

Car Adaptor

5. Carton packing (10 boxes / carton)

6. Operating Guide

7. About Us

Thank you for your attention . we are welcome business from all over the world. please feel free to contact us for any question.

SHENZHEN TIHOO SKY TECHNOLOGY CO.,LTD

A Professional Jump Starter Manufacturer

Established in 2008, Shenzhen Tihoo Sky Technology Co. Ltd is a manufacturer specialized in jump starters with ISO 9001, CE, FCC and RoHS certificates. We design and manufacture jump starters with different battery capacity. The core parts of emergency car jump starter adopt high quality, imported raw materials.

Providing Quality Products

Our more than 15 professional R&D staff and strong concentration on lithium polymer jump starters guarantee the product quality, updating products and technology. We have 5,000-square-meter factory and over 150 skilled workers to meet on-time delivery and bulk quantity.

OEM and ODM services

We provide total technical support to our customers to ensure the best performance for minimum cost. Our strong workforce, R&D team and facilities coupled with our continuous push for innovation and acquitted experience in product management
