The single battery life is about 5-7 days,
Provide uninterrupted personal companionship

7-10 days Standby mode

5-7 days Daily use

IP68 waterproof

Fully enclosed structure, IP68 waterproof technology,
easy to handle daily waterproofing, supports swimming
Wear clothes such as hand washing, bathing, and showering
to meet your various waterproof needs.

Combining hardness and softness Forging Classic

Multiple ring sizes are available, each with
its own unique craftsmanship

Model	Internal diameter	Perimeter
No 8	18.2mm	57.1mm
No 9	19mm	59.6mm
No 10	19.9mm	62.4mm
No 11	20.7mm	64.9mm
No 12	21.5mm	67.5mm

Measurement of inner diameter size

Step 1
Take a long rope or
piece of paper
Circle your finger once

Step 2
Using a long rope or
piece of paper with fingers
Precise bonding to avoid
excessive looseness or
Too tight, resulting in
dimensional deviation

Step 3
At the handover of
long ropes or notes
Make a mark at
the location

Step 4
Spread the long rope or
paper strip flat
Measure length and
record millimeters
Suggest taking multiple
measurements and taking
the median value
