Dimension & Weight

Carton		Single product	
No of packages	60	Net Weight	120g/ 4.23oz/ 0.26lb
Gross Weight	12kg	Gross weight	177.5g/ 6.26oz/ 0.39lb
Dimension	581x293x286mm	Package Dimension	133x88x52mm

Unit: inch

1.2 Functions

Model: MJ-S01

Basic Functions

- App Remote Control: Support iOS (8.0 and above) and Android (4.1 and above) phone or tablet. Add, delete your smart switch, and turn ON/OFF, schedule it. Multiple languages are supported.
- Compatible with Alexa, Google Home: This smart switch works with Alexa and Google Home. After defining a name, such as “bedroom light”, you can use voice control it by saying “Alexa, turn on the light”
- WiFi Connection (2.4G ONLY): it connects to the WiFi router directly, no hub is required. Please note that only 2.4G is support. Don't use it under 5G.
- Easy Installation: No professional installation is required. A detailed user manual is provided for installation.

Advanced Functions

- IFTTT Control: Works with IFTTT to control the smart switch according to your conditions
- Repeat Schedule: Repeat schedule is available. You can create a schedule to turn on your cooker for breakfast 20 mins before awake every morning.
- Group Control: Create a group to control different home devices at the same time.
- Mode Control: Create different modes in the App, and control it according to different modes.
- Share devices: You can share the devices to your family, and then different people can control it without setting up again.

Key Point

- Hight-Tech Control(Remote & Voice)
- FREE App for iOS and Andriod
- Multi-Languages Support
- Easy Setting Up Procedure
- 2.4G Wi-Fi Connection
