TECHNICAL DATA SHEET

Item	DROP SHEET
Usage	DIY/ Automotive Refinishing Works
Material	100% Virgin of Low Density Polyethylene
Color	Transparent, green, blue, yellow...
Thickness	5 mic 200 mic (+- 3%)
Width	2m/ 4m/ 5 m/ 6m
Length	4m/ 5m/ 7m/ 50m
Temperature resistance	Up to 107°C.
Elongation	MD : 150% TD: 200 %
Tensile	MD : 281.6 kg/ cm ² TD: 140.8 kg/ cm ²
Corona Treatment	44 Dyne by treator
Packing	20, 30, 50, 70 pcs/ box
Specification	Feature Extremely waterproof and protects against warm temperatures. Compact size and easy covering takes less work time. Sheet type and roll type available.

	<p>Application</p> <p>Protect the furniture floor when people painting and clearing the house and wall</p> <p>Cover vehicles & furnishings to protect against dust & dirt</p> <p>Building inside/outside, plastering and masking site</p> <p>Protects against paint spills and splashes</p> <p>Non slip, waterproof, mildew proof</p>
