 HUMIDITY 10-90_%	 INTERFACE Ethernet	 SIZE 410 × 170 × 209_{mm}

DETAILED OVERVIEW

Bitmain Antminer S23 Hyd, optimized for the **SHA-256** mining algorithm from **Bitmain**, comes with a maximum hash rate of **580TH/s** for a power consumption of **5510W**. With an efficient Liquid cooling system, Antminer S23 Hyd dissipates heat effectively, preventing machine overheating while aiding an excellent energy efficiency of 9.5 j/Th.
