

HCC-2054TA / HCC-3064TA

Wash Care Label Printer

Direct Thermal & Thermal Transfer

Two models description

HCC-2054TA

Printing Resolution

203 dpi (8 dots/mm)

Printing Speed

127 mm (5") / s Max

Printing Length

1778 mm (70")

HCC-3064TA

300 dpi

101.6 mm (4") / s Max

889 mm (35")

PRINTING EFFECT

Dual print mode

Two printing modes, one machine for multiple uses

Thermal transfer(No ribbon needed)

Sublimation printing(Need ribbon)

Professional washing label printing

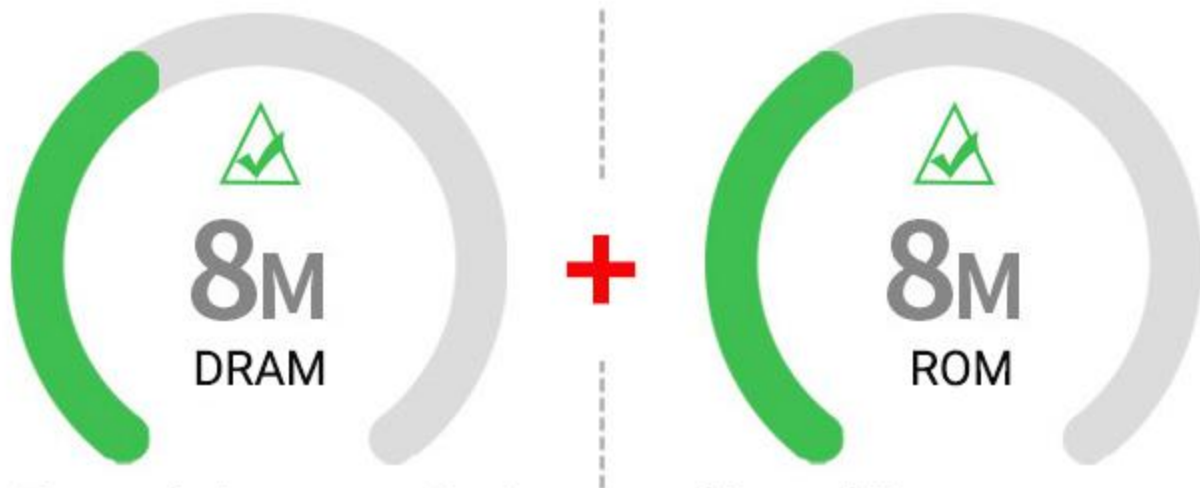

Support Max 108mm and Min 25mm Printing Width

32 bit RISC microprocessor

Memory 8MB DRAM, 8MB Flash ROM

Expanded memory for font, graphic and form storage.

Automatic paper measurement

Accurate printing

Reflective sensor

Free movement, smooth paper output

Transmissive sensor

Print content will not shift

Automatically locate the label gap

Say goodbye to manual paper testing
