

Model:9502

Material-----High fibre plastic+59A# brass+Toughened glass

Surface finishing-----White

Platform-----Film toughened glass

Function-----3 functions

Sliding sleeve -----Adjustable height, ABS with water plating chrome

Water valve-----59A# brass

Water tube-----Round s/s with water plating chrome

Hand shower -----ABS with water plating chrome,3 functions

Top shower-----Round, ABS with water plating chrome

Hose-----1.5m PVC with water plating chrome

Handle-----Zinc alloy with water plating chrome

Knob-----Zinc alloy with water plating chrome

Water faucet-----Copper with water plating chrome

Cartridge-----500,000cycles

Air pressure test-----0.6MPa

Salt spray test-----ASS 24 hours(PH=3.1-3.3)/NSS 48 hours(PH=6.5-7.2)

Water pressure suggest-----0.1-0.5MPa

Water leakge pressure test----1.6MPa without leakage

Package-----strong inner two boxes+ strong outer carton
