

Product Name	USB-C connectors
Color – Resin	Black, White, Grey, Blue, Red
Materials	Nylon, Tinned Copper
Length	20mm-10000mm (According to customer's request)
Temperature Range – Operating	-25° C to +85° C (According to the cable spec)
Quality Control	100% Open & Short Test
Cable Code	Choosen (black, white, grey, blue, green, red, orange, brown, purple, yellow, pink)
Contact resistance	3 ohm max Quality Control
Insulator resistance	10M Ω min
Withstanding Voltage	300V DC
Test Time	3S
