

Smart cell

Multiple protection
Rest assured to use

Magnet adsorption

Fast charging does not make it hot

Good heat dissipation. It doesn't get hot after long charging

Good heat dissipation

Anti scratch

ABS + PC waterproof
surface shell

Magnetic suction
wireless charging

PCB board

Fireproof bottom shell

Parameter

Product Specification

model:
LLT-847

product name:
wireless charging watch

material:
ABS+PC

product interface:
Type-C

enter:
2W MAX

output:
2W MAX

size:
82x37x13mm

color:
black、 White
