

Item	Name	GW-A1
		Portable solar generator
General parameters	Built-in battery	High quality lithium ion battery
	battery capacity	145Wh / 39000mAh /3.7V
	input recharging	DC15V/2.0A
	solar panel charging	DC35135 13V~22V/2.0A Max
	Fully Charged Time	DC:15v:6.5 hours
	DC output	3xDC output 9~12.6V/10A USB output 5V/2.1A +USB output 5V/1A
	AC output	1 x AC Modified wave output
	AC Continuous output power	150W
	Operating temperature	-10°C-40°C
	lifecycle	>500 times
	Product protection	a.Short circuit protection b.Overcurrent protection c.Overtoltage protection d.Undervoltage protection e.Overload protection f.Over temperature protection
	package included	1 x portable solar generator 1 x power adapter 1 x user manual 1x cigar-lighter 1x car charger
Machine certification	PSE FCC CE ROHS MSDS UN38.3 Air transport report,Marine transportation report	
Adapter parameters	output	15V 2A
	DC interface	35135
	shape	Wall charger
Input charging function	Support power adapter charging	support
	Support solar panel charging	support
	Support car charging	support
Battery	Battery model specifications	18650
	Single cell capacity	2600MAH
	Battery series parallel	3 Series 5 parallel
	Cell voltage	3.7V
	Battery voltage	11.1V
	Battery power retention (1 year later)	about 80%
	Battery charge and discharge life	>1000 times
structure	product dimension CM	196*108*126mm
	net weight	1.5kg
	Material	ABS plastic , plastic shell fire rating 94-V0;

	Product color matching	Can be freely matched by customers (quantity required)
Product packaging	Product packaging	Carrying case
	Carrying case size	282*146*170mm
	Single carrying case weight	2.0KG
	Carton size	595*470*200mm
	Number of outer boxes	6 PCS/CTN
	Package weight	12.6 kg
Use scene mode	Applicable to power outages, outdoor operations, night market electricity, emergency rescue, medical, household energy storage, etc.	
Delivery time	Normal 30 days, detailed discussion according to the actual situation.	
MOQ	Provide corresponding support according to the actual situation of customers	
Warranty and after-sales service	12 months warranty
