

Galvanized Steel Strip is a flat, rolled steel product coated with a layer of zinc to provide superior protection against rust and corrosion. This zinc coating gives the steel strip a longer service life and makes it ideal for use in environments where rust prevention is crucial.

- * Corrosion Resistance: The zinc coating protects the steel from rust and other forms of corrosion.
- * Uniform Coating: Our galvanized steel strips have a consistent zinc layer for reliable protection.
- * Versatile Application: Suitable for use in construction, automotive, electrical, and many other industries.
- * Corrosion Resistance: The zinc coating protects the steel from rust and other forms of corrosion.
- * Uniform Coating: Our galvanized steel strips have a consistent zinc layer for reliable protection.
- * Versatile Application: Suitable for use in construction, automotive, electrical, and many other industries.

- * Construction: Roofing, siding, and structural components
- * Automotive: Car body parts and exhaust systems
- * Electrical: Cable trays and conduits
- * Agriculture: Fencing and farm equipment
- * Manufacturing: Various machinery parts and components

- * Enhanced Durability: The zinc coating extends the life of the steel strip.
- * Cost-Effective: Provides a cost-effective solution for rust protection.
- * Environmentally Friendly: Zinc is a recyclable material, contributing to sustainability.
- * Customization: Available in various sizes and thicknesses to meet specific project requirements

Specification

Product Name	Galvanized Steel Strip
Wall thickness	0.12MM~5MM
Length	600MM~1500MM
Standard	BS4449-2005,GB1449.2-2007,JIS G3112-2004, ASTM A615-A615M-04a, Korea Standars KS D 3504, Austral asian Standard AS/NZS 4671
Grade	Q195 Q235 Q345 SGCC SGCH SGC340 SGC400 SGC440 SGC490 SGC570 SGHC SGH340 SGH400 SGH440 SGH490 SGH540 DX51D DX52D DX53D DX54D DX55D DX56D DX57D S220GD S250GD S280GD S320GD S350GD S400GD S500GD S550GD SS230 SS250 SS275
Zinc coating	40g/m2 to 275g/m2
Coil weight	3 tons to 8 tons
Packing	Bundle, or with all kinds of colors PVC or as your requirements
Surface Treatment	1. Galvanized 2. PVC,Black and color painting 3. Transparent oil,anti-rust oil 4. According to clients requirement
Origin	ShanDong OF China
Certificates	API ISO9001-2008,SGS,BV
Delivery Time	Usually within 10-15days after receipt of advance payment
Coil weight	3-5 tones
Coil inner diameter	508/610mm
Wrap	Standard packing, can be packed according to customer requirements
