TUOLI TL-168 plus Mobile Phone Screen Protector Cutting Machine (13 inch)	 The image shows a teal-colored TUOLI TL-168 plus screen protector cutting machine. Above the machine are three circular icons: the first shows a hand applying a protector to a phone, the second shows a phone with a protector, and the third shows a phone with a cracked screen. The machine has a digital display on the right side and is shown cutting a sheet of screen protectors.	55*18*20cm	8.5kg	Android 8.1 WIFI: 5G/2.4G
