

Specifications

Parameter categories	detailed information
model	SDL810
voltage	AC110/220V
power	5W
size	36.5*22.8*37.7cm
coverage area	5000m³
The capacity of essential oils	1000ml
material quality	metal
pigment	black
control method	Remote control / Bluetooth + Wi-Fi / touch button

operational principle	Two fluid atomization
net weight	5.35kg
