

FAST CHARGING DATA USB CABLE

3.1A MAX Fast Charge,Durable Weaving Outer

SMS-BW27

STABLE CURRENT SAFE AND FAST CHARGING

The built-in smart chip can help stabilize the current and provide you with a safer fast charging experience.

STRONG BENDING RESISTANT NO REPEATED CABLE CHANGES

The data cable is mainly made of high-density braided yarn, which has excellent bending resistance, will not break easily, and has a longer service life

FULL CHARGE WITHOUT WAITING

The data cable supports a maximum current of 3.1A,
which can quickly charge H-W/O-PO/R-MI devices

BOLD COPPER CORE WIRE STABLE AND FAST CHARGING

*Bold tinned copper core, strong conduction performance,-
fast and stable charging*

CHARGE TRANSFER

GET IT DONE ON THE FIRST LINE

*The speed is as fast as 480Mbps, charging/data
transmission is fast*

COLORFUL LIFE

MORE THAN ONE CHOICE

It contains four classic colors of black,red,white and green for you to choose from,to better meet your preferences.

Product Parameter

Brand:SOMOSTEL
Model:SMS-BW27
Plug Type:I-PH+Type-C+Micro
Color: Black/White/Red/Green
Length:1000MM
Material:ABS+braided
Output Current:3.1A max
Wire diameter:6.0mm
Function:Charge and Data transfer
