

Products Description

Base Material	PET/PC/PVC/ACRYLIC
Color	Pantone and RAL color matching system.
Surface	Glossy / Matte Finish
Window	die cutting window,clear window ,colored window.
Key type	Metal dome/ploy
Key surface	Embossing / Flat
Adhesive	3M467/468MP/200MP/9080AMP
Circuit Layer	Silver paste/ Carbon paste/FPC Copper foil
Key lifetime	Over 1Million times
Temperature Resistance	-20° C- 80° C
Membraen switch type	A, PET + Silver paste circuit plat membrane switch. B, FPC Copper foil circuit membrane switch C, Membrane switch with built-in LED indicator. D, Membrane swotch with backlight. E, PCB membrane keyboard. F, Aluminium backing plate membrane keyboard. E, Capacitive touch membrane switch.
