

Vision Automatic Laser Marking Machine				
Laser power	20W	30W	50W	100W
Laser type	Fiber			
Laser wavelength	1064nm			
Input voltage	AC220V			
Power stability rate	± 5%			
Marking speed	≤ 12000mm/s			
Marking range	100mm*100mm (optional)			
Minimum line width	0.02mm			
Minimum character	0.3mm			
Marking depth	0.01-1.2mm(according to the material)			
Focus spot diameter	<0.01mm			
Cooling method	Air cooling			
Working environment temperature range	5-35° C			
Repeatable accuracy	± 0.001mm			
Beam quality	M2 <1.6
