

Main Technical Data

Rated capacity	Snap Action contact	AC-15 220V/2.5A 380V/1.5A 660V/0.8A
		DC-13 24V/3.6A 48V/3A 110V/1A 220V/0.4A 440V/0.25A
	Slow Action contact	AC-15 220V/6A 380V/4A 660V/2A
		DC-13 24V/6A 48V/3A 110V/1A 220V/0.5A 440V/0.25A
Contact resistance		$\leq 50\text{m}\Omega$
Maximum insulation voltage		AC 2500V 50Hz · 1min
Mechanical life		flat push button $\geq 3 \times 10^6$ turn button $\geq 3 \times 10^4$ key button $\geq 5 \times 10^4$ emergency button $\geq 5 \times 10^4$
Electrical life		$\geq 60 \times 10^4$
Rate thermal current (1th)		10A
Rated insulation voltage (Ui)		AC 660V
Environment temperature		-25°C ~ + 55°C
Front protection degree		Default IP54, if need IP65, please add "IP65" after model while release order. Key button is IP40, SKBO flat button can mach accessory F1 become IP67
