

Floor standing Stand-alone AD Display

Model : YA652004

Display specification

1. Panel Size: 65"
2. Display area: 803.5x1428.5mm
3. Aspect Ratio: 9:16
4. Max. Resolution: 1080 *1920
5. Dot Pitch: 0.744×0.248mm
6. Contrast Ratio: 1400:1
7. Brightness(cd/m2): 450
8. Display Color (Max): 16.7M
9. Viewing Angle (H/V) : 89°/89°

Features

1. Support automatic copy between SD card and U dish.
2. It is Superior Performance of this AD display decoding board, include powerful audio and video processing capabilities, support 1080p HD videos and pictures.
3. Can play the contents under SD card and U dish' s fixed catalog.
4. Video format : RM/RMVB , MKV , TS , FLV , AVI , VOB , MOV , WMV , MP4
5. Picture format : JPG , BMP , GIF
