

PH-9062 Pen Type Waterproof pH Meter pH Tester

Features:

1. Fast and accurate display based on microprocessor
2. New sturdy and durable ergonomic design, stylish and compact appearance, easy to carry
3. Large screen backlight, clear display, temperature display at the same time
4. Automatic temperature compensation (ATC)
5. Host waterproof IP65
6. Low battery level indicator
7. Automatic shutdown

Specifications:

1. Range:
 - 1) pH: 0.00 ~ 14.00pH
 - 2) Temp: 0 ~ 50°C
2. Resolution:
 - 1) pH: 0.01
 - 2) Temp: 0.1°C
3. Accuracy:
 - 1) pH: ± 0.02 pH
 - 2) Temp: ± 0.1 °C
4. Automatic Temperature Compensation (ATC): 0 ~ 50°C
5. Battery Type: 3 x 1.5V (AAA Batteries)
6. Operating Temperature: 0 ~ 50°C
7. Calibration: 2 points with auto buffer recognition
8. Dimensions: 230 x 48 x 36mm
9. Weight: 140g
