

Designed for
high-capacity smart life

Product Parameter

Name: Large capacity humidifier

Material: ABS + PP

Available color: White/black

Water tank capacity: 5.5L

Working noise: $\leq 32\text{dB}$

Operating voltage: AC100-240V

Model: HU55-01A

Product size: 280x175x235mm

Humidification capacity: $250\pm 50\text{ml/h}$

Mist duration: 55h for small grade / 22h for large grade

Mist protection: water shortage protectionn

Additional functions: Green leaf mode
