

宁波绿缘轻工机械有限公司

Ningbo Luyuan Light Industrial Machinery Co., Ltd.

Basic Information:

Description: Vegetable Sorting Platform	Brand: Luyuan 绿缘
Material: SUS304 Stainless Steel	Conveyor belt: Quality food grade PU
Driven Type: belt	Model NO.: LY-QCJ-DG-DS
Voltage: 380 v / 50 hz	Control mode: PCI
Capacity: 500-2000kgs/hour	Power: 3.3kw
Transport Package: Plywood Case	Specification: 4000*1700*1500cm
Condition: New	HS Code: 84386000
Warranty: 1 Year	Spare Parts: yes
Origin: China	

Features:

1. Advanced design and convenient operation
2. Low energy consumption and high efficiency
3. Adopt stainless steel material, Quality food grade PU anti-corrosion, beautiful, meet hygienic standards
4. Provide customized services according to different requirements

Address: No.16 Yanshan Road, Juexi Sub-district, Xiangshan County, Ningbo, China
