

Processor	RAM	SSD Size	Operating system
N5150	8GB SODIMM	512 GB	Windows 11

Description

This 2023 newly launched WiFi6 Mini PC installed with Windows 11 Pro, Intel 11th Celeron N5105 processor, 8GB SODIMM DDR4/256GB NVMe PCIe 3.0 SSD & 2.5Gb/s Dual LAN, 4K@60Hz HDMI/DP/USB-C Triple Output, BT5.2. Perfect for visual home entertainment, streaming video, Web browsing, and work.

Windows 11 Pro operating system

Equipped with 11th Gen Intel N5105 processor (4C/4T, 4M Cache, up to 2.9 GHz). Perfect for visual home entertainment, streaming video, Web browsing, and work.

8GB SODIMM DDR4 & 256GB NVMe SSD

This mini computer comes with 8GB of SODIMM DDR4 with up to 3200MHz of memory, twice the frequency of LPDDR4, and is fitted with a 256GB NVMe SSD with support for PCIe Gen3*4 high-speed transfer protocol and read and write speeds of over 2000MB/S, which reduces latency and allows you to run multiple tasks simultaneously.

WiFi6 & Dual 2.5Gb/s LAN] Built in Intel AX201

Built in Intel AX201 WiFi adapter, the latest generation 2.4GHz/5.8GHz WiFi 6 (802.11ax) support MU-MIMO /1024 QAM technology, ensures more efficient operation, higher performance and less power consumption compared.

Triple 4K Display & UHD Graphics

Supports 4K display output via HDMI 2.0 Port 、 DisplayPort & USB-C (Full function) , allowing you to connect Triple-displays simultaneity, expanding multiple work spaces for more efficient and comfortable productivity.

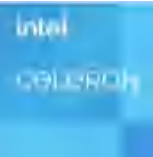

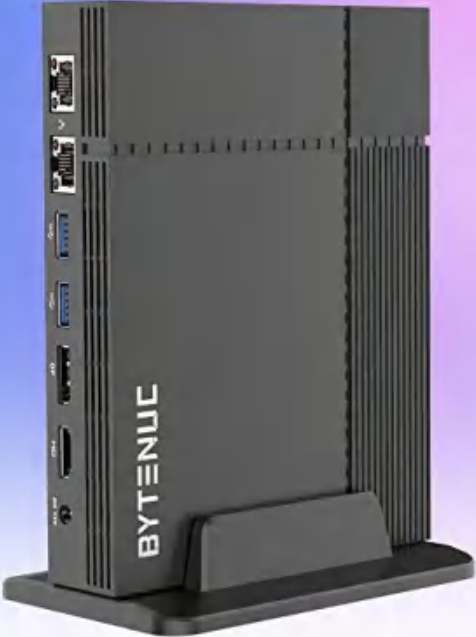

MB36 - Mini PC Key Specs

- CPU: Intel® Celeron® Processor N Series 10nm N5095(15W), N5105(10W)
4C 4T 4MB Cache @ 2.00 GHz (2.90 GHz)
- OS: Windows 11 Pro
- GPU: Intel® UHD Graphics
- Memory:1 x 8GB DDR4 SODIMM
- Storage:1 x 256GB M.2 SSD
- Wi-Fi 802.11 a/b/g/n/ac BT 4.2
- Battery capacity 3.0V 210mAh
- I/O:
 - 12V 3A charger(DC)
 - Standard HDMI 2.0 *1
 - DP 1.3*1
 - USB3.0 (Gen1)*4
 - USB2.0*2
 - TYPE-C*1 (Full function optional)
 - 3.5mm standard headphone jack*1
 - Micro SD scard up to 128GB
 - RJ45*2 (10/100/1000Mbps)
 - Power Button *1
 - Clear CMOS Button *1
 - Kensington Lock *1
- SIZE: 170*128*36.6mm Plastic
- Weight < 0.5Kg
