

Specifications

Parameter categories	detailed information
model	SDL817
voltage	12V
power	17W
size	28*30*76cm
coverage area	2000-3000m³
The capacity of essential oils	800ml
material quality	metal
pigment	White / black / silver
control method	Bluetooth control

operational principle	Two fluid atomization
net weight	6.3kg
