Why Choose Us

One stop contract manufacturing

1

Fast-turn around 24 hours PCB prototype

2

Quick rototype turnkey PCB Assembly 7 days

3

Timely delivery and competitive price

4

Fast response and reliable after-sales service

5

Components sourcing team with over 5 years experience

6

No MOQ. We can accept small order as well as mass production

7

UL 94v-0, RoHS, ISO-9001: 2015, ISO-13485: 2016 certificated

8
