## Hearing Protection Earmuffs

### Products description

Suitable for use in various industrial environments such as transportation, construction sites, sports venues, etc., providing basic hearing protection in noisy conditions.

### Features

- 
**Soft ear cushions**  
 Soft and comfortable sponge inner material reduces ear pressure by fitting the face
- 
**Adjustable steel wire**  
 The steel wire length can be adjusted according to the size of the head, ensuring a snug fit
- 
**Leatherette headband**  
 The leatherette headband with soft sponge lining reduces pressure on the head for comfortable wearing
- 
**Compact design**  
 The product is simple and elegant, with minimalist and stylish packaging

### Technical Parameters

Noise Reduction Level	SNR: 28dB±3
Operating Temperature	-20°C~~60°C
Storage Temperature	-40°C~~75°C
Protection Level	IP54
