

Product Size:	5980(D)*3000(W)*2800(H)mm
Steel:	Square tube and bending steel plate
Wall:	50mm EPS sandwich board or rock wool sandwich board/optional board
Wall color:	White color / optional colors
Roof:	50mm EPS sandwich board or rock wool sandwich board/optional board
Door :	960mm*1970mm /optional door
Window :	920*920mm /optional window
Floor:	Fireproof glass magnesite board /optional floor
Decoration wall:	Optional : PVC cladding ,WPC cladding
Wind resistance:	wind speed≤120 km/h
Earthquake resistance:	Grade 7
Snow load capacity of roofing:	0.6kn/m2
Live load capacity of roofing:	0.6kn/m2
Wall permitted loading:	0.6kn/m2
Heat conductivity coefficient:	0.35kcal/m2hc
G.W./ set	1200KGS/set
Container loading:	14 sets/1*40HQ
Electricity:	Optional standard
