MAX STORAGE SPACE:

Revolving container maximizes storage space, especially in pantry cupboards and deep-base cabinets where items can be hard to reach. Sized to fit bottles, canned goods, seasoning packets, drinks, coffee, condiments, spices, baking supplies, snacks, and more; This rotating organizer is perfect in so many rooms of the home; Try it in your kitchen, craft room, home office, inside bathroom cabinets and even

SPINNING TRAY 360°:

Turntable operates on smooth-gliding, stainless steel ball bearings for an easy spin and quick access; The compact format is great for apartments, condos, dorm rooms, RVs, campers and cabins.

EASY REACH:

This rotating organizer tray makes items easy to reach, even when stored on upper shelves. The high outer walls keep items safely in place while the tray is spinning; Use inside kitchen cabinets, on pantry shelves or in the refrigerator; Also great for keeping shampoos, conditioners and other toiletries neatly stored and easily accessible inside a bathroom cabinet or closet.

DURABLE QUALITY:

Made of durable PET, shatter-resistant plastic; Food safe; Ball bearings are durable stainless steel; Easy Care - clean with mild soap and water.
