Product Name: Smart Meeting Display (Smart White Board)

Model #: L65S

Product Specification

Display	display	65 inches D-LED backlight
	Display size (mm)	1428.48 (H) X 803.52 (V)
	image scale	16:9
	display resolution	3840 X 2160
	Visibility	≥350cd/m±10%
	Contrast	1300:1
	viewing angle	Horizontal 178°/Vertical 178°
	Backlight life	30000 hours
	Response time	8 ms
System	operating system	Android8.0 & Windows 10 (OPS optional)
	CPU	ARM A73 dual core + A53 dual core 1.5GHz
	GPU	G51 MP
	RAM	3G DDR
	storage	32G EMMC
	touch type	Infrared touch
	touch points	20 point
	touch response time	<10 ms
I/O	audio input	1ch Mini Audio in for VGA /1ch Mini MIC in
	Audio output	1 channel digital optical S-PDIF (COAX)/ 1 channel 3.5mm earphone
	network input/output	1 LAN wired Ethernet, standard RJ45 socket, support 10/100M
		Wireless reception: 2.4G+5GHZ dual-band WiFi On-board dependent modules
		wireless screen projection:2.4G+5GHZ dual-band WiFi Onboard dependent module with bluetooth
	Extension ports	1 channel RS232 UART/1 SD-Card of TF standard card slot
	video input	1ch VGA/ 2ch HDMI (Support HDMI 2.0 Standard 4K@60Hz) / 1ch Mini AV in
	USB input	4 channels (Front USB2.0-A*2 channels support dual systems, onboard USB2.0-A*2ch just Android)
	USB output	1ch (Onboard USB2.0-B*1ch for External PC/ HDMI Touch out)
Media file	media file format	AC input
		AC switch*1
		Video: Support MPEG1, MPEG2, MPEG4,TS, flv and other mainstream video formats
		Audio: Support MP3 and other audio formats
		Image: Support JPG, JPEG, BMP, PNG, GIF and other image formats
		Documents: word,ppt, pptx,xls, xlsx,txt

Machine parameters	Product size (mm)	1490.6(L) X 887.57 (H) X 88.6(T)
	Outer box size (mm)	1576(L) X980 (H) X 200 (T)
	VESA standard(mm)	500mm (H) X 400mm (V)
	Screen	Original imported LG screen
	placement mode	Wall-mounted/mobile stand
	menu language	Chinese/English
	Machine color	Top and bottom silver/ left and right black
	product weight	Net weight: 42kg / gross weight: 50kg
	Total power	≤250W
	Input voltage	Max 2*12W, high-quality speakers, front sound
	working environment	0~40℃
	storage environment	-20~60℃
	Appendix	1. Power cord *1 (3 meters); 2. Stylus pen *2; 3. Wall-mounted *1; 4. Warranty card *1, Guarantee card*1
