

Android 11 Price Checker ER200

General

ER200 with Android 11 operating system, simple and easy to operate. The size is small and occupies small space to fixed mount. It only uses a Z-shaped ultra-high degree of freedom bracket and is equipped with 4 assembly fixing holes. It can be fixed on wall, shelves, pillars, etc.

Features

- 5-inch HD display screen, using capacitive touch screen, very convenient to operate.
- Support WiFi, Ethernet LAN, Bluetooth 4.0.
- Multiple I/O interfaces, suitable for various types of external devices.
- Equipped with a 2D Image Scan Engine, it can quickly read barcodes such as paper printed barcode and screen barcode and QR code.
