

## ABOUT US

### More than 13 Years' Experience in Phone Accessories

Shenzhen Tangmai Technology Co., Ltd. was established on April 27, 2015. Joyroom is our brand, which was founded in 2009. We are a global consumer electronics company running the worldwide business for over 10 years.

### Over 500 Items in Various Categories

Our clients come from all over the world, including Asia, Europe, the Middle East, Africa and South America. Our catalogue has over 500 items in various categories such as holders (car/table), chargers, cables, power banks, phone cases and screen protectors.

### Our Advantages

We will provide you with the materials needed when a new product is launched, such as detailed pictures of the products, the advertisement pictures, and the product use video. In addition, we will also cooperate with some KOL (key opinion leaders) to prepare articles or videos of products. These resources are owned by Joyroom and can be used for publicity. Also, we can cover the expenses if you choose to work with the KOL locally. When a new product is launched, we will provide sellers with free samples of new products and new product-related offers (such as a buy-one-get-one-free discount). For specific products, we will also provide product training for the items, depending on their characteristics and usage tips.

### Contact Us Now

If you are interested in other products offered by Joyroom, we will provide free samples of these products according to your requirements. Contact us now.
