

Hot selling mini broadcast USB Interface 48K Microphone High Configuration No Backlit Microphone

Brand Name: OEM

Style: mini microphone, desktop microphone, wired microphone, live-broadcast microphone

Communication: Wired

Use: computer microphone, conference microphone, church, interview, speech, smart phones, teaching, portable audio player, communication, broadcasting

Place of Origin: Guangdong, China

Material: ABS

Dimensions: 130mm*45mm(±5mm)

Power: DC 5V

Wire length: 1.5m (±1cm)

Directivity: cardioid

Broadband response: 20Hz-20KHz

Sampling rate: 48K

Signal to noise ratio: >60dB

Sensitivity: -39dB (±2dB)

Mi Core: 97 Mi Core

Output impedance: 33Ω

Current consumption: 3mA

Connection: USB interface

Frequency Range: 48Khz

Weight: 110g

Certifacate: CE, ROHS
