Parameter	Value
Solution	JSF135M
Switch	Rubber Sheet
Membrane	Silver membrane
Number of keys	105
USB cable	1.5m PVC standard
Magnet ring	No magnetic ring required
USB connector	Nickel plated USB
Light pattern	Monochrome backlight
key caps	Laser characters through light
Anti-Ghosting	19
key scroll speed	10ms
key load	52±7g
Key stroke	3.0±0.2
Current consumption	<150mA
Backlight model	Support
Power supply mode	USB 5V
Battery specification	No battery
Safety certification	CE
Dimensions	443* 159*27.5mm
Weight	550±5
Material type	ABS plastic
Injection color	Injection Black
Surface treatment	No spray treatment on the surface
Keyboard non-slip pad	Silicone foot pad
Manner of packing	(KY-K876) 460*180*32mm 300G+B9 4color
Sticker	1 Pcs sealing sticker
Manual	black and white sketch paper
Carton	(KY-K876)480*385*335mm 20pcs/CTN
Environmental certification	ROHS
