

SK8 Product Specification			
ID		FEATURES SUMMARY	
		1.3-inch IPS high-definition full-fit round screen	
		IP68 Waterproof	
		Alloy CNC process,electroplated anti-fingerprint reinforced mineral glass mirror	
		Food grade silicone strap	
		Chipset: Silan 7A20	
		Bluetooth Version: 4.0	
		Heart Rate/Blood pressure/Blood oxygen/ECG/female personal data	
		Multip watchface for choosing,watch face customize and download from app	
		wireless fast charging	
		Multi-sports mode: healthy walking, running, cycling, mountain climbing, yoga, mountain climbing, rope skipping, soldier baseball, badminton, and so on	
Model No.:		SK8	
Hardware Specification			
Chipset No.		MTK2502	
Internal Memory for storage (ROM+RAM)		RAM:512KB,ROM:138KB,Extra 32M flash	
LCD		1.3-inch IPS high-definition full-fit round screen	
Touch Panel		Full touch screen	
G-Sensor		Silan 7A20	
Bluetooth		BT4.0	
Battery Type		290mAh high-capacity polymer,filled in 150minutes	
Heart rate		24 hour regular heart rate monitoring,3300	
Blood pressure		YES	
Blood oxygen		YES	
Compability		support IOS 8.0+ and Android 4.4+	
Major function		Heart Rate,Blood Pressure,Blood Oxygen,Pedometer,Stopwatch, Clock,Music Control,Weather,Notifications push, SMS alerts push, sleep monitoring, sedentary reminder,Multip sports mode,call remind,female personal data, wireless fast charging	
Language support		Chinese,Arabic, Persian, French, Spanish, Portuguese, Thai	
Implementation standards		CB4943.1-2011;GB/T22450.1-2008	
Package information			
The weight of watch		49.8g(silicon strap)
